

SIR THOMAS FREMANTLE SCHOOL

Co-EDUCATIONAL SCHOOL FOR STUDENTS AGED 11-19

TEACHER OF MATHS –MATERNITY COVER

I would like to thank you for your interest in Sir Thomas Fremantle School. The school opened in September 2013 with just under 100 students and by September 2018 we have grown to over 500 across years 7 to 13.

We have recently received our second set of GCSE results. Students in Maths celebrated outstanding results with 63% achieving a grade 5 or above. 82% of students achieved a grade 4 or above. In Further Maths, 100% of students achieved a C or above with 63% achieving the very top grades.

This is a unique opportunity to work in a supportive environment where the behaviour and attitude of students are impeccable. Positive relationships lie at the heart of the school and the school is, in turn, at the heart of the local community. We expect each of our students to aspire to try their very best in everything that they do. As you will see from this pack and our website, our school is innovative, very inclusive and hugely ambitious.

We seek to appoint exceptional teachers who all share our values, vision, ambition and passion; staff who will be willing and able to work to help fulfil our ambitious aims.

We need staff who, like our existing staff, enjoy a challenge, work well as a team yet are confident enough to lead developments. To me, potential is as important as experience so if you think you might have what we need, please apply.

We believe this is a unique opportunity for either NQTs or experienced teachers to work within a new school that leads the way in student achievement and community engagement. We hope that you enjoy reading about our school and will want to find out more. You are asked to enclose with your application a letter, of no more than two pages, outlining how your experiences to date prepare you for this role. We very much look forward to receiving your application.

Neale Pledger
Headmaster
