WEB: WWW.SIRTHOMASFREMANTLE.ORG

7th September 2022

Dear Parent/Carer,

First of all, the PE team and I would like to welcome you back to another academic year at STFS.

We are very excited to inform you that this year we will have full access to the field at the Winslow centre. This will mean we are able to offer an even higher quality of provision and learning within our PE curriculum this year. All double PE lessons will take place at the field, covering a range of different sports throughout the year.

As we will be going to the field in all weather conditions, I would like to reinforce the importance of students having suitable PE kit so they are safe and able to learn to the fullest whilst at the field.

Students will need specific sporting equipment including;

- Football boots (moulded or metal studs suitable for a soft grass pitch)
- Shin pads
- Gum shields

Suitable clothing dependent on the time of year, this could include;

- STFS school rugby jersey
- STFS school tracksuit bottoms
- STFS school rain coat
- Blue/ black thermals or base layer

I am also pleased to share with you we are aiming to reenergise our extracurricular offerings in PE this year, something that has been hindered by the pandemic over the last two years. There will be a Rugby club offered to all years for both boys and girls on a Tuesday (3:30-4:45). A boys Football club for all years on a Wednesday (3:30-4:45) and a girls Netball club for all years on a Wednesday (3:30-4:45).

Clubs will start week commencing the 19th of September.

We aim to start fixtures towards the start of October, further details will be given out nearer the time.

Kind regards,

Jack Johnson

PE Department
