Safer Schools Quarterly review

Happy New Year!

Like in our previous Newsletters we would like to remind parents/ carers that you should report incidents directly to the school who take primacy in investigating. If any incident is reported to the police we record it, notify the school, liaise with the investigating teacher, and deal with the incident under SSP guidance. This approach is restorative and our priority is to educate / safeguard, not criminalise.

DON'T BE FOOLED

We need your help to warn young people about the dangers and consequences of becoming a money mule?

A money mule is someone who transfers money through their bank account on behalf of someone else and is paid for doing so.

Criminals need money mules to launder the profits of their crimes.

Young people are increasingly being targeted to become money mules. They are approached online or in person, including through social media, at school, college or sports clubs. Sometimes people they know persuade them to take part, often because they are also acting as money mules.

Mules will usually be unaware of where the money comes from – commonly fraud and scams - and that it can go on to fund crimes such as drug dealing and people trafficking.

Being a money mule is illegal.

When someone is caught, their bank account will be closed, and they will have problems getting student loans, mobile phone contracts and credit in the future. They could even face arrest for money laundering which carries a maximum sentence of 14 years in prison.

What to look out for.

Tell-tale signs that someone might be involved could be them suddenly having extra cash, buying expensive new clothes or top-of-the-range mobile phones and gadgets with very little explanation as to how they got the money. They may also become more secretive, withdrawn or appear stressed.

You and your child can learn more and get advice by visiting www.moneymules.co.uk together.

If you are worried that someone close to you might be caught up in money muling, you can contact Crime stoppers anonymously on 0800 555 111.

Please do not attempt to contact any individual you suspect of organising money muling.
