22nd April 2020

Dear Parent/Carer,

Re: Microsoft Teams and Online Learning

I hope that you and your families are healthy.

As you know, this week has seen the launch of a new online platform to help students learn from home. Over the past couple of days, I have received several emails from parents with questions. Could I please turn your attention to the information page on our

website: <https://www.sirthomasfremantle.org/page/?title=Covid%2D19%3A+Learning+from+Home&pid=79>

Just as a reminder, please be aware that the login details for Microsoft Teams are exactly the same as our students' email accounts. As such, students should enter their email address (firstname.surname@sirthomasfremantle.org) and the password they use to access their emails. If they have forgotten their password, please contact me and I will reset it for them.

Our sixth form have been using different online platforms since September and so will continue to do so.

Should you have any class-specific questions, please make sure that you contact the teacher of the class in the first case.

Many thanks for your support and understanding as we continue to roll out this new platform.

Yours faithfully,

Andy Simpson
Assistant Headteacher
