25th June 2020

Dear Year 11,

I hope this letter finds you well and hopefully a bit more settled than we all were in March. I wanted to mark what would have been the end of the exam period for all of you. I have absolutely no doubt that you would have done yourselves proud throughout the exams in both your conduct and performance. You created a very special atmosphere in the school that probably could not be replicated elsewhere. You are fantastic role models for the students in other year groups and they will have a lot to live up to.

We have inputted all of your teacher assessed grades and each of the exam boards will now work through their formulas that will provide you with your results in the Summer. This process has made it clearer than ever that the relationships at STFS between staff and students is truly unique. Every member of staff involved in the process knew about you, your strengths, your areas to develop, when you were happy and when things were troubling you. Seeing how well the staff knew you gave me a huge sense of pride.

You will have heard from Mr Pike regarding Sixth Form places and registrations. We are really excited about the future of the Sixth Form and you are playing a fundamental role in its growth. The calibre of applications has been fantastic and we look forward to you thriving and achieving your potential.

I appreciate the challenges this time has created but I must reaffirm the importance of maintaining your preparations for September. I know that subject areas are working hard with students to ensure that everyone is as prepared as possible for September. Please make sure you ask subject teachers if you need any support or guidance with your transition work. Completing this work and maintaining a routine will help you immensely when school reopens.

You should have already received an email regarding Results Day and Sixth Form sign up in August. Please ensure that you respond. Any issues or queries, please email Mr Pike directly (matthew.pike@sirthomasfremantle.org)

I hope you have a great Summer, and please do not spend time worrying about results. Enjoy (safely) the outdoors and the sun.

Take care of yourselves and each other.

Yours faithfully,

Mr Pledger
