14th July 2020

Dear parents/carers,

Re: Final arrangements for year 11 students

Usually I would be writing to congratulate you all on the completion of your examinations and for making it through secondary school. I want to reiterate that despite not getting the opportunity to showcase your talents in your exams and the current lack of a prom that we have not forgotten about you and once allowed do plan to run your prom.

We will be hosting results day in as normal a fashion as possible and I look forward to seeing as many of you that day as possible. I also have a few other things to mention. Firstly, your leavers hoodies have arrived and we will arrange for distribution of these on results day.

Secondly, please do ensure that you have applied to all the courses that you want to potentially study next year. Please use your form tutors and myself as references if you need them and the predicted grades that were on your year 11 report from earlier in the year for this process.

Finally, Mr Simpson has asked me to convey some messages regarding the return of Chromebooks and the chargers. I know that a lot of you were able to complete this process prior to us all being sent home but this was not possible for everyone. Chromebooks should be returned to the school on results day, (if this is not possible then please can you notify the reception team as to when this can be arranged). I would like to remind parents and students of their responsibility to ensure that the Chromebook is returned in good condition. As per the agreement that was signed "*damage deemed likely to have been caused intentionally or through misuse... will result in the cost of repair being forwarded to the parent.*" This is essential so that the Chromebooks can continue to be used by other year 11s in the future.

Please do try to enjoy your summer and take some time to reflect on the excellent way that you all have handled these circumstances.

Yours faithfully,

Mat Payne

Learning Leader for years 10 and 11
