Dear Parent/Carers of Year 10 Art Students,

Re: G.C.S.E Year 10 Art – September 2020

I hope that this letter finds you safe and well.

Here in the Art department, we are beginning to make preparations for our new year 10's to begin the GCSE Art and Design course. As you are all aware Art and Design is a very practical subject and we often use a wide range of materials in school and at home, and I would like to suggest some equipment your son/daughter will need throughout the course.

The department will provide your son/daughter with a high quality sketchbook at the beginning of the course, and whilst in lessons they will have access to well stocked Art rooms and are welcome to use any of the equipment we have.

Below is a list of suggested equipment that your child will use for both classwork and homework during their academic year. These items are not mandatory, however you may wish to purchase these, as they will be of considerable use to your son/daughter.

Equipment list	Additional optional equipment
A set of shading pencils	Double sided tape
A rubber	Metallic pens
A sharpener	A pack of sharpies
Paint brushes, sizes- 2, 4 and 8	A USB stick
Water colour palette	A camera (if this area is of particular interest)
Colouring pencils	
Pritt stick (or similar)	
An SD card (8GB is more than enough)	
A black fine liner	

We are always grateful for the hard work and effort the students put in to their classwork and homework at KS3, and even more so considering the current circumstances, and we look forward to working with them in the new academic year.

We will endeavour to support your son/daughter in any way we can. Please do not hesitate to contact the Art Department should you have any further questions.

Yours faithfully,

Mrs Harriet Coughtrey
