Dear Parents/Carers of Year 9 Students,

## Re: Technology at STFS

We are very excited to announce that we are launching a new technology-based approach to teaching and learning at STFS. We are really keen for all of our students to benefit, but to begin with, we are restricting the program to our Year 9 students.

For further details, please watch this information presentation, which outlines the key details of our offer: [https://www.youtube.com/watch?v=8NA8oNS\\_Nk8](https://www.youtube.com/watch?v=8NA8oNS_Nk8)

Could I then ask that you complete the survey below? If interest is high, we will be able to start the scheme from October: <https://forms.gle/fLjQMUG2Z3ERdvfAA>

For parents of students who qualify for the pupil premium, there will be a discount funded by the school.

Please do not hesitate to use the email addresses provided within the presentation to ask any questions or please leave your feedback in the survey.

Yours faithfully,

Andy Simpson  
Assistant Headteacher
