STFS Online Christmas Concert

Dear Parents/Carers,

I hope you and your family are all keeping well. To help draw the end of term to a close, the Performance Arts department are excited to organise a virtual Christmas concert!

In collaboration with school magazine *The Mantlepiece*, students are invited to submit video recordings to form an online concert. Students are welcome to perform on any instrument in any style, although a Christmas influence is encouraged! Recordings can be completed at school (if organised through the music department) or at home. Please submit them to myself via email (Louise.Greene@sirthomasfremantle.org), on Teams/Streams, or the student can bring the video into school on a USB.

Selected performances will then be put together into a recorded concert and published on a private YouTube channel. This can be accessed through the school magazine or Facebook page.

Please note that permission for these recordings and the concert broadcasting is obtained through the original permissions given at the start of the year for photos and videos, and for broadcasting on school website and school social media platforms.

If you have any questions regarding your son/daughter's participation, please do not hesitate to get in touch (Louise.Greene@sirthomasfremantle.org). The deadline for submitted videos is **Wednesday 9th December**, and the concert will be broadcast on **Wednesday 16th December**. We hope you can join us virtually for some festive cheer!

Yours sincerely,

Louise Greene
Lead Practitioner – Music and Performance
