Dear Parents/Carers,

Re: Christmas Dinner Scheme

As we enter the festive season after such a difficult year for everyone, we have been thinking about how we can lighten the load in some way for the more vulnerable members of our community who will find the thought of providing a Christmas dinner for themselves or indeed, their families very daunting.

The Buckingham Butcher, alongside some other local retailers have been incredibly generous by donating food supplies to our kitchen team. We hope to be able to provide delicious, individual Christmas dinners in take away packaging, which in turn would enable families and individuals to store in their freezer, ready for reheating on the 25th. As we have relied solely on donations, we unfortunately only have a very limited number of meals we can provide.

We are now asking if you would like to self-nominate your family or any other families or indeed know of any elderly family members or any vulnerable local residents that would benefit from our scheme. Ideally for our suppliers, we need to confirm numbers by this Thursday 3rd December 2020. If you are able to nominate anyone, please email katie.owens@sirthomasfremantle.org so we can organise support.

In the meantime, if you are worried about food this period please do contact Citizens' Advice by calling 03444 111444 and asking to be referred to food bank services.

Our very best wishes,

Miss K Owens
