Dear Parent/Carer,

Click & Collect Library Service

As part of the new policies and procedures the school has put in place in response to Covid, we have sadly had no library in operation since April. This means that a number of students have missed out on the opportunity to do some independent reading at home.

I am excited to announce that we are going to trial a new *“Click and Collect”* system so that students can still have access to reading books in a safe and controlled way. I am hoping to launch the system across the school in January but would like to trial it over the Christmas period.

Students will be able to order a book from the list and have it wrapped and delivered to their form room. They then return the book (when they have finished it!) to a safe box where it will stay before being wiped down ready to re-lend.

Your son/daughter is being asked to take part in this trial. All they need to do is select three titles from the list that they might like to read over the Christmas break. They will then have one of the books (and a goodie bag) delivered to their form room on the last day of term.

Please go through the list with your child and tick three titles. They can then return the list to their form tutor by **Friday 11th December**.

Thank you for your support in trialling the new library service. Happy Reading!

Yours faithfully,

Sophie Nelson
Head of English
