Dear Parents/Carers,

Re: Online Career Session – Friday 12th February

To finish off the half term, we will be having an online careers session, lead by Ladi Mohammed from the Buckinghamshire Skills Hub, along with the school's two Enterprise Ambassadors, Dean Jones from the University of Buckingham and Colin Gleghorn, a local company director. The focus of this session will be on employability skills and will take place on the afternoon of Friday 12th February.

This careers session is for all our students (years 7 to 14 inclusive) and will take place online, via the normal platform. A new team called "Employability Skills Workshop" will be set up for this occasion and students will need to use this team to access the meeting. The session will start at 2pm and finish at 3pm and will give students the opportunity to ask the experts further questions. This talk will replace the normal timetabled sessions and therefore, students will not be required to attend their usual lessons for Period 5 or Period 6 on Friday afternoon.

If you have any questions, please feel free to contact me; nick.oconnell@sirthomasfremantle.org.

Yours faithfully,

Nick O'Connell
Assistant Headteacher
