12th February 2021

Dear Parent/Carer of Year 9 Students,

Re: Tetanus, Diphtheria & Polio and Meningococcal ACWY Immunisations

As you will be aware, Bucks School Immunisation Team will be attending STFS on Wednesday 24th February to carry out the Year 9 immunisations for Tetanus, Diphtheria and Polio and the Meningococcal ACWY for those who have given consent.

In order for this to work with current social distancing guidelines and whilst we are in national lockdown, we have allocated a timeslot for your child which is dependent on their surname. Students are able to come for their vaccinations by themselves; if parents do chaperone their children, please can we ask you to wait in your car in the car park as access into school will not be permitted to any parents.

Students will be directed to enter the school grounds by the gate to the right of the main entrance and straight into the sports hall where the immunisations will be carried out. Once completed they will leave the site via the same gate.

Please remind your child to adhere to the 2 metre social distancing rules and to ensure they are wearing a face mask. They will be asked to wash/sterilise their hands before and after entering the school.

For those students who are in school in our Key Worker and Vulnerable children bubble, we will make sure they attend at the correct time for the vaccination and return to lessons once done.

If your allocated time slot is not suitable please contact the Immunisation Team on 01296 567860 or buc-tr.BucksChildImms@nhs.net.

Time Slot	Surname
9.30-10.00	A-B
10.00-10.30	C-E
10.30-11.00	F-J
11.00-11.30	K-M
11.30-12.00	O-R
12.30-13.00	S-T
13.00-13.15	V-Z

If you have any queries about this, please feel free to contact me.

Yours faithfully,

Emma Smith
Office Manager
