A CO-EDUCATIONAL SCHOOL FOR STUDENTS AGED 11-19

## Climate for Learning Policy Amendment in response to Covid 19

Due to Covid-19, we have had to amend our Climate for Learning policy. Please be aware that the following reasonable adjustments have been made in addition to our existing Climate for Learning Policy and will take effect from September 1st 2020 until the end of the academic year. This will be reviewed regularly and updated accordingly. There will be a zero-tolerance approach to any instances of poor behaviour that undermine the safety and the learning of all students in school during this time.

If a student intentionally or provocatively displays a behaviour that could put others in the school at risk from Covid-19, they will be instantly sanctioned. This may be a Fixed Term Exclusion or in the most serious of breaches a Permanent Exclusion. Behaviours that will be considered unacceptable are as follows:

- Deliberately not following social distancing guidance in school
- Accessing out of bounds areas, including those areas of school that will be temporarily prohibited in light of the current circumstances
- Not following any rules outlined regarding hygiene practice, sharing of equipment and social interactions in school
- Not following designated routes around school
- Ignoring adult directions, requests and reminders about new school measures
- Deliberately putting others at increased risk of transmission due to poor behaviour
- A Risk Assessment will be published on the school website

This list is not exhaustive.

### Parent/Carer agreement- By sending your child to school you agree to the following statements

- We have read the school's amendment to the Climate for Learning policy which will come into effect from the 1<sup>st</sup> September 2020.
- We understand that if our son/daughter deliberately breaks any of the of the rules above in the amendment, they will face a sanction that may include a fixed term exclusion or permanent exclusion.
- We will be fully supportive of these reasonable adjustments which have been made to protect the students and staff at STFS

We are confident that students will adhere to the reasonable adjustments and follow them at all times. We are not asking anything that could be deemed unreasonable and all measures are in place to protect all members of the school community. Thank you for your support.
