31st March 2021

Dear Parents, Carers and Students

Re: GCSE Options Selection

Thank you for completing the straw poll - it has proven really useful in allowing us to create two option blocks of subjects for you to choose from. Almost everyone will be able to make the subject choices that they indicated from their straw poll.

We are now able to provide you the opportunity to submit your definitive choices for the courses you will study in years 10 and 11.

Some guidance

- **Science:** Please select which course you would like to study. It will either be Combined Science (worth 2 GCSEs) or Triple Science (worth 3 GCSEs). If you are still unsure, please speak to your science teacher.
- **Humanities:** Please select which Humanities subject you would like to study. For students who have selected to do two Humanities subjects, please choose History in the Option Subjects and your other choice as the Humanities option.
- **Options:** Two blocks have been formed from the straw poll data. To ensure that students get a rounded education, please do not select both PE and Sports Studies as this combination is not available.
- **MFL:** Miss Hughes has been organising the MFL choices separately to allow content to be taught after Easter. Please contact her directly if you have any questions.

The deadline for submitting the form is Tuesday 20th April.

[Please click for the Options Form](#). Similar to last time, students will need to sign in using their Sir Thomas Fremantle email addresses.

Yours faithfully,

Andrew Simpson
Assistant Headteacher
