20th April 2021

Dear parents and carers of year 11,

Re: Year 11 Update

I hope that you are all well and your child has had a productive Easter break. In follow up to the letter that was sent out detailing our plans for centre assessed grades I wanted to share more information about our plans for this half term. You will no doubt be aware that one component of our plan for year 11 is to utilise a summer window of assessment within school. Please find attached a copy of the examination timetable that year 11 students will follow during their end of course assessments between 10th and 28th May 2021. Students have been given a copy of this prior to the Easter break (to allow them to commence with their revision) but I wanted to request that you check that they are fully prepared to sit these examinations and have revised for the topics being assessed (specific modules are being shared with students by class teachers).

As part of this preparation, students need to be equipped for an exam (full equipment including maths set etc. as we cannot loan out kit), have all external appointments rearranged to avoid conflicts (where possible) and are aware that during this window they will be following a supervision timetable when not in exams but are free to revise for their subjects in place of their normal taught lessons. Outside of this window staff are using their time to revise and help prepare students as well as offer students the chance to showcase their abilities in other areas of the course. All of these components can be used to help support their centre assessed grades.

On another note, I wanted to let you all know that we are doing what we can within the current climate to organise end of year arrangements and are investigating what we can do to try and celebrate the outstanding commitment and effort that students have put in during their time at STFS. Whilst we cannot have something traditional like a prom, we are investigating what sort of celebration we will be able to put together.

We are still being provided with information by the government as to how to support the education of year 11s throughout the end of their GCSE programme and when we have received all of this, we will share with you all as soon as we can.

It is worth noting that time is running out to order a leavers hoodie from this website using the login details below. The shop closes on Thursday 22nd April to ensure that there is sufficient time for the hoodies to be produced.
