21st April 2021

Dear Parent/Carer,

At STFS we have been fortunate enough to be accepted onto a programme that champions anti-bullying.

As part of this we will be creating 20 anti-bullying ambassadors across the school, and your son/daughter has shown an interest in being included. As part of this they will have the opportunity to participate in training provided by the Diana Award. The training will take place in school via Microsoft Teams on **Wednesday 28th April 2021** from **12.30pm to 3.30pm** (early lunch arrangements will be made). Students will then complete the interactive training and help to champion anti-bullying behaviours around the school.

This training will be online and will be undertaken simultaneously with another school under the supervision of the training providers and staff in both schools. If you would like your child to participate then please follow the below link to give your consent and confirm their place on the course in later than **Friday 23rd April** :
