Dear parents and carers,

## Re: Charitable Causes

As part of our tutor programme this term we have decided to focus on some charitable causes. In the last few weeks, students have investigated and voted to decide on charities to fundraise for over the current half term.

We have set up Just Giving pages for each of the charities that have been selected to make the process of supporting these charities as simple as possible. Please may I ask that you support your child with their fundraising endeavours that they come up with.

The charities chosen are as follows:

Mercury: Animal Antiks - <https://www.justgiving.com/fundraising/mercury-stfs>

*Animal Antiks aim to support children and young adults with emotional, behavioural, mental health and special needs, in a farm environment using animal assisted learning to develop key skills, build confidence and self esteem*

Christie: Child Bereavement UK - <https://www.justgiving.com/fundraising/christie-stfs>

*Child Bereavement UK help children and young people (up to age 25), parents, and families, to rebuild their lives when a child grieves or when a child dies. Child Bereavement UK also provide training to professionals, equipping them to provide the best possible care to bereaved families.*

Seacole: Cancer Research UK - <https://www.justgiving.com/fundraising/seacole-stfs>

*Cancer Research UK is the world's leading cancer charity dedicated to saving lives through research, influence and information. Our pioneering work is changing lives on a global scale.*

Brunel - Cancer Research UK – <https://www.justgiving.com/fundraising/brunel-stfs>

*As above*

Many thanks in advance for supporting your child and their house with this initiative.

Yours faithfully,

The Learning Leaders
