Dear Parents/Carers,

Re: GCSE Options

First of all, many thanks for all of you who encouraged your children to complete the straw poll. It has provided excellent data to help inform the option blocks.

Perhaps inevitably, given the large spread of subjects, take up for some subjects were lower than expected as there was greater choice available. Unfortunately, this has meant that several subjects did not make it into the option blocks as fewer than five students opted for them. However, the vast majority of our students will be able to choose their first-choice subjects.

This year, we are asking students to complete an electronic form to confirm their final choices for the GCSEs (see below). Please read through this carefully with your child and help them make the choices that best suit them. If you are still unsure about some subjects, please feel free to contact subject teachers for more information. Their email addresses are on the subject page on the prospectus.

Finally, I would like to request that this form is completed by Friday 8th April. This will allow us to sort the final choices over the Easter break and then we will be providing confirmation of the GCSE choices in the first half of the summer term.

The Final GCSE Choices Form - <https://forms.office.com/r/XrDPAB6ihW>

Yours faithfully,

Andy Simpson
Assistant Headteacher
