Dear Parents/Carers,

RE: Year 11 Enrichment after the Easter break

The Senior Leadership Team have been conducting 'learning walks' during the enrichment sessions to see how the Year 11s are coping with the demands of the revision programmes being offered. It has been heartening to see some students really engaging with the opportunities being offered by the teaching staff.

However, it has become apparent that some students find this strenuous period quite exhausting given the increased pressures that they are under in the lead up to the summer exams. Others have suggested that their preferred revision space would be without the distractions of their peers.

With this in mind, from the summer term, the parents of Year 11 students will have the opportunity to opt their child out of enrichment to continue their revision at home. I believe that this will be a benefit to some who feel the need for a break to rest before continuing their revision. For those who opt to stay, it will allow for more focused enrichment sessions as only those who want to be there will remain.

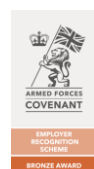

Obviously it is crucial for the school to be aware of who is on site and who has left at all times. As such, students who have chosen to leave the school at 3.30pm must do so promptly. To help us manage this, could I please request that you complete the attached slip indicating whether you would like your child to remain on-site or leave.

Unfortunately we would require that the choice that you make is applicable for all days, Monday to Friday. Please also note that students leaving the school site at 3.30pm will not be able to return to access school transport so we will also need you to provide information on how they will travel home.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely,

Andrew Simpson
Assistant Head
