Dear Parents/Carers,

## Re Creative iMedia exam

As the iMedia June exam approaches, I would like to invite your son/daughter to attend a weekly revision session every Tuesday **or** Wednesday during enrichment to help them prepare. Participation in these sessions is optional but once students have chosen to attend either Tuesday or Wednesday, they will need to commit to all of the sessions because we must have fixed registers for enrichment. Students who have selected GCSE Film Studies should obviously join the Wednesday group to avoid clashes.

In these sessions, we will be reviewing the key concepts from the R081 unit content and then going over exam questions and strategies. These sessions should supplement the students' own revision and should not be the only preparation that they do. The revision materials students were given for the exam in January are still relevant for this exam, and if you did not purchase the Hodder revision guide in preparation for the January exam series, it may also be of help. It should be available on Amazon:
