Dear Parents and Carers,

It was a delight to welcome everyone back today and a special welcome to our new Y7. They have settled in so well and demonstrated impressive maturity on their first day.

It was great to see everyone in uniform and most students had the correct equipment for their learning. This morning students started the year with an assembly and tutor time and looked at the skills they need to succeed this year.

Lunches

Today was our first day with the new caterer and it was more popular than expected - this is a good problem to have! I had so many lovely comments from the students on the new meals.

For the remaining part of this week we will allow Y7 to have lunch early as they get used to budgeting and paying for their meal.

Some students were apprehensive about how much money they have on their account, and can use the vending machine to check their balance with their fingerprint at any point. We will also have a second counter/till for 'grab and go' meals.

The weather is going to be looking warm this week so please make sure students have a water bottle for the day.

Thank you again for your continued support.

Best wishes
