To: Sir Thomas Fremantle School <office@sirthomasfremantle.org>

Dear Parents & Carers,

As you are aware we have been completing the GCSE PE coursework since returning in September. I wanted to update you with some GCSE PE coursework deadlines that are coming up. Unfortunately this must be done under assessment conditions with one of the PE team but below are some further opportunities outside of lesson time to support students.

Deadlines:

9th November 2023: Sections 1-3 must be completed and submitted to teacher.

15th November 2023: Final deadline for all sections to be submitted to teacher for assessment.

Support available:

Wednesday lunch time 1:30-2:00pm

Thursday after school: 3:20-4:20pm

Video evidence:

31st January 2024 is the deadline for video evidence. Students will have a detailed session on ways that this can be presented. Students must submit a video of all the core and advanced skills on the specification, followed by a video of them partaking in a match/competitive element for sports other than badminton, football, athletics, rugby, netball or basketball (these will be assessed in school on site).

Any extra footage that will support grades above a school level for the sports highlighted that can be assessed in school e.g. county/academy level etc will be worth submitting.

This must all be put into one video outlining the skills at each point and how to identify the student in the match/competitive situation e.g. wearing the number 7 top. Some examples of this can be found on YouTube but we will ensure students understand what is expected from them within this video.

Here is the link to the specification:
