Dear Parents & Carers,

I wrote to you before the summer break, but I wanted to remind you of the following for English Literature:

We have started with Macbeth, and we use the Oxford School edition of Macbeth, ISBN: 9780198324003, currently available on Amazon for £6.99. For A Christmas Carol, the Wordsworth Classic edition, is currently available on Amazon for £3.99, although prices may change. The ISBN is: 978-1840227567. Any edition of the play and the novel are acceptable, and there are free versions available online as well, although I would recommend a physical copy for in-class annotations.

Students can borrow a copy from the school, but it is better if they are able to annotate their own editions for revision. While studying Macbeth this half term, students are expected to pre-read A Christmas Carol as part of our Tutor Time sessions, so I would encourage you to purchase both books at this time.

If your child is in receipt of Pupil Premium funding, it may be possible for us to assist with the cost of purchasing these books. Please let me know if you would like us to look into this for you. If you have already contacted me prior to the start of September, the books have been ordered and will be given out as soon as they arrive.

Kind regards

Rebecca Stone
