

PSHE Day - Are you able to help?

Sir Thomas Fremantle School

Fri 15/09/2023 2:34 PM

To: Sir Thomas Fremantle School <office@sirthomasfremantle.org>

Dear Parents & Carers,

What is PSHE day?

We have lots of new and exciting events and activities to look forward to this school year, one of which is our new PSHE curriculum day. All students will be off timetable for the day and will be focusing on key aspects of PSHE and gaining life skills necessary for their future. This is in addition to the PSHE sessions that will be taught for an hour a week through tutor time.

On Wednesday 8th November, each year group will have a key focus for the day. Depending on their cohort, students may have performances to watch; external sessions to take part in; research projects to discover; along with assemblies and interviews. We will send further correspondence closer to the date outlining what each cohort will be doing for the day.

How can you support?

In order to run this day for students, we are looking for your help and support especially with our year 11 careers sessions. We are looking for parents, carers or family members who are able and willing to come into school and talk about their careers and career pathways. The intended plan will be for each speaker to talk about their job in a small presentation and Q and A session for approximately 25 minutes. Each session should have no more than 15 students at a time and could be repeated up to 4 times.

Ideally we are looking for a wide range of job sectors, and a range of career pathways for students to hear about. This is open to all parents, carers or family members from all year groups, both past and present. All we ask is that you are available on Wednesday 8th November from 9-11am and that you are willing to participate.

If this is something you would like to support us with, then please register your interest by completing the form below.

Should you have any further questions before you commit to helping, please contact me at rosie.spence@sirthomasfremantle.org

I look forward to hearing from you.

Kind regards

Rosie Spence
