Uniform at STFS.pdf;

Dear Parents & Carers,

Can I please ask you to take time over the weekend to remind your child/children about uniform requirements at Sir Thomas Fremantle.

As we encounter colder weather, we are seeing a wider variety of uniform choices, not all of which are aligned with our policy.

We absolutely welcome coats and hats (of any variety), and are pleased to see so many students choosing to wear the STFS branded jumper.

However, we are also seeing branded hooded jumpers worn under blazers, coats being worn in the school building. These choices are not permitted. Please can we ask that students do not attend school with hooded jumpers. If they are worn into school, they will be removed at the school gate, and can be collected at the end of the day.

We have also noticed a significant number of students who are repeatedly untucking their shirts, or rolling up skirts. These choices lead to teachers having to repeatedly challenge students on dress code, and also have been noted by members of the public. Both of these choices represent a breach of uniform policy.

We are rightly proud of our school, and the students who attend it, and we want to ensure students are well presented throughout the school day. We want uniform worn with pride.

If students are found to be in breach of uniform policy (including shirts/skirts), they will be given a uniform (break time) detention for the same, or following day, with a member of the Senior Leadership Team. Parents will be informed via ClassCharts, and repeated instances will be treated in line with our behaviour policy about disruptive behaviour.

If you require any support with securing uniform supplies for your child, please contact reception, or your child's tutor, if financial assistance is required.

Kind regards,

Francis Murphy

Head Teacher
