Dear Parents & Carers

We are pleased to announce the start of our new Young Carers group.

Laura Troll from Young Carers will be joining us for the first three sessions to discuss more about our group, and we will be assisted each week by Hannah Dobbs our Attendance Officer.

Most importantly, we would like to find out what our students would like to gain from their time together. Whether it be just catching up for a chat, listening to music, playing games etc. we may even throw in a cookie or two!

We will also be working with Ray Layton from Young Carers who will be visiting every half term to meet up to six young carers on a 1:1 basis for a short check in session. If you are happy for your child to attend these sessions, please provide consent via the link below.

Our first session will be on Monday 4th March at 13:10pm in Hurst, and every Monday at the same time thereafter. The sessions will run for approximately 40 mins; enabling students time to go to the toilet or grab anything from their lockers before the end of lunch bell goes. Students are welcome to bring their lunch to the group and we can provide them with a queue jump pass for the canteen if required. (Please reply to this email to request one.)

If your child would like to join our Young Carers group, or if they are curious to find out more, please pass on this information and let them know when our first group meeting will be.

Please feel free to contact me at leanne.eldridge@sirthomasfremantle.org if you have any questions, or if there is anything you would like to discuss further.

Kind regards

Leanne Eldridge
